

JESSE CASTON  
PROPERTY MANAGER

Jesse joined Hubbell Realty Company in early 2006 as Property Manager for over 1 million square feet of space. Jesse manages such high profile commercial developments as the Kaleidoscope at the Hub, Lakeview Medical Park, Birchwood Business Park and the Ankeny Business Park. His work includes property inspections, planning and coordinating maintenance programs, and researching highest and best use for commercial and most recently, residential properties.

“My job is to enhance the value of the real estate investment for my tenants, not just to maintain the appearance of a building. It’s about maximizing the property’s potential by providing a full range of management services.”

Jesse is a licensed real estate professional and serves on the Board of Directors for the Des Moines Skywalk Association. He is a Certified Property Manager and is a member of BOMA and IREM. He received a degree in Business Administration from Southeastern University.
