

**TINA PADAVICH**  
**PROPERTY MANAGER**

**T**ina Padavich joined Hubbell Realty Company in 2008 as a property manager. Her portfolio includes well-known Des Moines area buildings such as the Kaleidoscope at the Hub and One Corporate Place. She brings over 12 years of property management experience and a great depth of local market knowledge to this position. Her strong financial background, including extensive work completing budgets and reviewing financials, allows her to be a trusted resource for her clients.

Tina understands the important role property management can play in the financial success of a building. “Executing on investment and leasing strategies to create value in a varied real estate portfolio is my top priority.”

Tina is a licensed real estate professional and is a member of the Building Owners and Managers Association. She is a Certified Apartment Manager through the National Apartment Association. She received a degree in sales and marketing from AIB College of Business.
