

CHAD DiMAIO

COMMERCIAL CONSTRUCTION PROJECT SUPERINTENDENT

Chad DiMaio has served as Commercial Construction Project Superintendent at Hubbell Construction Services since fall 2005. His responsibilities include subcontractor scheduling, communicating with architects and engineers, maintaining budgets and managing project schedules. He also is tasked with overseeing safety practices and all other activities that take place on the construction site.

With more than 19 years of experience supervising commercial construction projects, Chad's work background includes tenant improvement, multi-family housing, retail space and office space. "I am very detail-oriented and enjoy problem-solving issues. My years with Hubbell Construction have provided me with many skills and growth in the field in which I really enjoy working."
