

JASON DeNEUI

COMMERCIAL PROJECT SUPERINTENDENT

"I enjoy being out in the field as a Project Superintendent. To me, each day on the job is a new adventure. With several goals and deadlines for each project, I welcome all challenges and take pride in the

reward of a job well done."

Jason DeNeui has served as a Commercial Project Superintendent with Hubbell Construction Services for more than five years and has been with Hubbell Realty Company since 2005. In this capacity, Jason is responsible for managing the day-to-day project operations including planning, scheduling, managing and monitoring all construction-related activities for the projects assigned.
