

TOM YUNG

ASSISTANT PROJECT MANAGER

Tom Yung joined Hubbell Construction Services in May 2015 as an Assistant Project Manager. In this role, he is responsible for providing overall administrative and construction management support for multiple projects.

Tom assists in the drawing review, budget preparation, contract management, scheduling and all other tasks necessary to complete projects on time and on budget. He also manages small-scale construction projects, representing the owners' best interests in the construction project.

Tom brings more than two years of experience in the construction industry to Hubbell. He has an adept understanding of the preconstruction process, including bid solicitation, writing subcontracts and scheduling production. He has managed construction operations ranging from RFI preparation and subcontractor coordination to monthly job reporting and cost evaluation. Tom's background includes work on several commercial, multi-family and tenant improvement projects.
